GARDEN OF EDEN

Dear PURELY 18,

I've long held a theory that the first breasts, those that would have appeared in the original Eden, were small and perky, and that big tits would have been a hassle in early times since there were probably already mosquitoes and no mosquito spray and certainly animals to run away from. This incredible, beautiful girl Eden seems to me perfect for the original sin and her name could just as well have been Apple, for she bears as tempting a fruit as I've ever seen.

She really doesn't need more than those bright brown eyes to get me stiff, but that round ass, nubs with nips and her nectar hole with its teeny patch of dark fuzz have sent me to the bathroom to squeeze one out faster than I can lock the door.

I have to believe there is more of this new sensation, that we'll see her get her pussy licked and maybe even fucked. Do whatever it takes to get this girl back and out of the garden where the dirty stuff happens!

Alan
Mason, WI

Dear Alan,
She is definitely garden-fresh, even if she does (unfortunately) wear clothes most of the time. She is as sweet as she looks and we don't know if we'll ever get photos of a cock sliding into that mouth (or her other sexy slots), but don't think we're not trying!

TOGETHER WITH HEATHER

Dear PURELY 18,

I'm wild as hell about Heather and can fucking feel and taste those bouncy titties in my mouth! They look like they're about to burst with creamy goodness and I would like to keep them cupped and safe day and night.

You could have just held back the photos of her putting a vibrator in that honeypot, which looks so tight and delicious, it makes my mouth water and my cock hard, which I suppose makes me the same kind of stiff-pricked, slobbering idiot she makes out of guys wherever she goes. With full jugs like those, she's the kind of girl who could bounce her way into any guy's heart and send our brains banging around in our skulls, the result being the one-track mind men are so often accused of having. Look at Heather and tell me the blame lies with men and their simple minds. No! It is a girl so beautiful that our minds are turned to mush! We're lucky we get to blurt out a sentence! I'm lucky I can scribble out this letter!

Now that I think about it, I feel like I'm wasting time, time that could be spent with my hands free, looking at Heather's pictures, letting my mind weaken as it may. It's a price I'm willing to pay. Hopefully while I still have the wits to make a transaction with the guy at the magazine store, you'll have Heather in your magazine again.

HEATHER

Matt
Kloston, KS

Dear Matt,
Take a break and do a crossword or some sudoku and keep it together and we'll work on getting Heather and her outrageous breasts back in the magazine again. You know you don't want to miss it!

a pearl, it looks like Michelle is going to make more money harvesting balls of calcium carbonate than she is spreading her perfect legs for your magazine. Maybe that was supposed to be some kind of bonus you were sending her off with, but I wonder how the next guy to shove his cock in that snapper is going to like the feel of hard pearls formed within the juicy walls of her hardly legal cooch. Not that I'm really worried about this guy and his dick, per se.

I know sex on the beach is a popular fantasy, but as a doctor I can hardly recommend such a thing. You can't imagine how many pussy pearls I've seen over the years and while, yes, they can be very valuable, especially when it can be confirmed that they came from a young beauty in the prime of her teen sexuality, the fact is that it's not normal and girls should look for honest work (like she managed posing for your magazine and the excellent opportunities offered by the adult industry as a whole) or sponge off guys the old-fashioned way if that doesn't work out or appeal to them.

30825
MICHELLE

As a health care professional, I do offer my services and will extract the pearls from Michelle's pussy free of charge (while retaining the right to 20% of the proceeds of their sale). In the meantime, please be careful getting naked on the beach. It looks beautiful, but it can be dangerous. Not only could she get pearls, there are also crabs and I bet a few fellows out there who would have a heckuva time controlling themselves given the sight of her tender flesh so ready to be caressed and holes obviously eager for penetration.

Dr. Mike
Earl's Basin, AL

Dear Dr. Mike,

We never considered that Michelle might actually get sand in her pussy and end up with pearls, but if that indeed happens, we will gladly buy them from her just as we will gladly take more photos of her, on or off a beach, with or without pearls in the puss, but thanks for the advice, doc.

NIKITA

NIKITA—SHE'D LOVE TO EAT HER!

Dear PURELY 18,

Damn you, PURELY 18, for feeding this smut to my husband every month. I've been curious for a while now how a guy who was satisfied lying on me a couple times a year would suddenly be back to the twice-a-day urge and while I suspected Viagra, my snooping led instead to your magazine.

What's worse, and downright weird, is that your magazine got me horny, too. But it's not my husband I want to go to bed with, it's Nikita, the Teen Dream centerfold from your issue #25. I've never been attracted to a woman before, I never even paid much mind to the bra ads JC Penney used to run in the paper, but this girl is not just everything I've ever wanted to be, she's everything I've ever wanted, I just never knew it until now. What do I do now?

Grace
West Hills, FL

Dear Grace,

Sometimes we don't know what we're looking for until its legs are spread and the natural beauty is right there in front of our faces. What do you do when that kind of thing happens? Stick your tongue out!

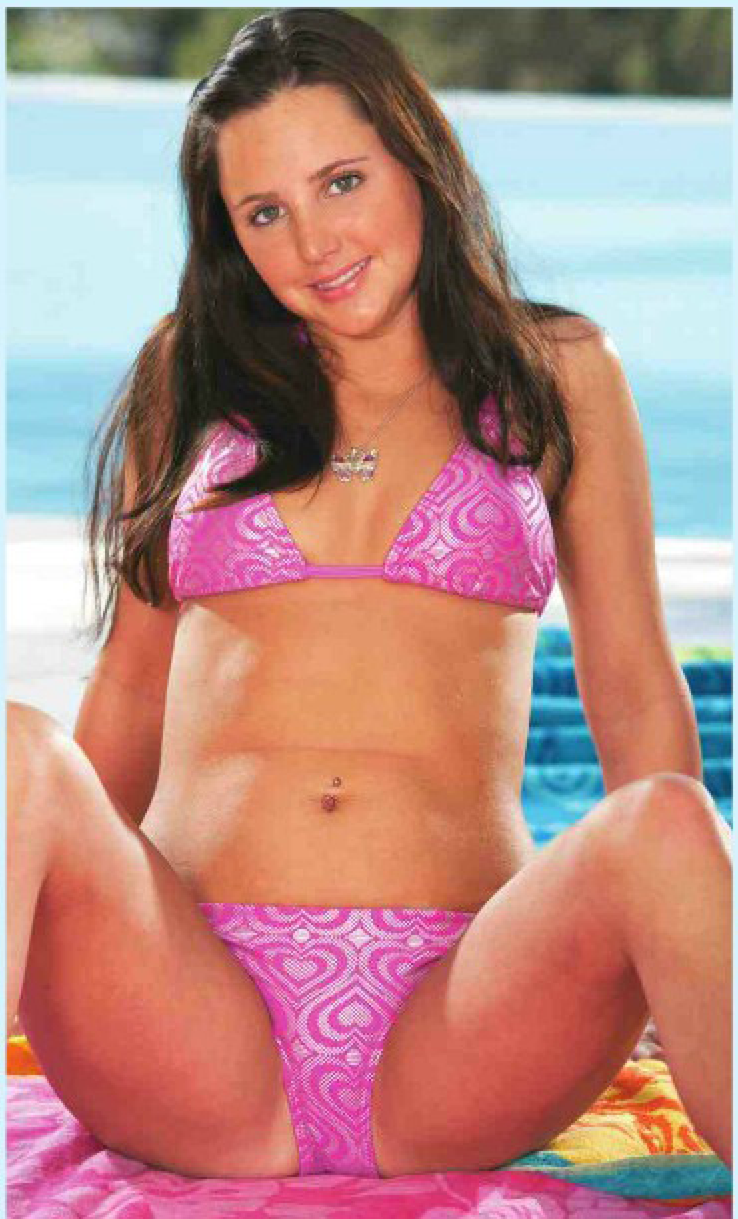
TRISTAN

miami pound machine



Living in the luxury of South Beach has its advantages for a horny young girl like **Tristan Lee**. This delicious brunette babe can sun herself by the rooftop pool in the morning since it's always hot and sunny. When nobody else is around (and even sometimes when they are), Tristan's bikini comes off and she "blends her tan lines" by sunning herself in the buff, or even goes skinny-dipping to cool off. She's even been known to fuck herself with a dildo on those extra horny days. After a good pussy-nubbing, Tristan gets dressed up and goes clubbing — what a life!

A Young Girl's Diary

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Victoria**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!***

Dear Diary,

The first thing I remember was that my knees were on the carpet on the floor of the TV room in my boyfriend's basement. His cock was hard, as it always is, and sliding in and out of my throat, as it often is. His balls were in my hand and his hands were on the back of my head, pulling me close, tightly, which I knew meant he was about to cum. Moments later he was grunting loudly and his cock was jerking in my mouth, and I could feel his relief dripping warm down the back of my throat.

I wake up like this a lot. It's not that my boyfriend, or any of the other guys who I fuck, are sticking their dicks in my mouth while I'm sleeping. It's because I have a rare disorder called hypnogagic narcolepsy, which means that I go into a kind of trance state whenever a cock gets deep enough into my mouth to touch my uvula. I still suck cock like a champ—I've made my boyfriend videotape it a bunch of times, so I've seen, and there's been no shortage of compliments. It's actually pretty cool. Hell, there are probably 100 tapes of me sucking different guys' dicks. Pretty cool, huh?

First time I realized something was weird was when I came to in the bedroom of a friend with her brother's cock in my mouth and his buddy standing next to him with his cock at full mast and what I have to assume was my saliva dripping from it. I didn't really know how I'd gotten there, but I sure felt lucky to have these two hot guys with their cocks ready for me. I took them both on the bed—I don't trance out when I have a cock in my pussy—and let them take turns nailing me until they finally came, one in my pussy and the other mostly on my tits, though as my friend pointed out later, I seemed to have a couple gobs of white stuff on my neck just below my ear. "Oh, I don't know what that could be," I said, laughing it off. Whatever, I was freshly fucked and didn't give a damn. She wiped it off with a finger and I could only hope it was her brother's leftovers.

I noticed that I'd been finding myself waking up more and more with a cock lodged deep into my throat. I really couldn't think about it as it was happening, but I was always able to remember later how it started. In my earliest seductions, I was certainly the aggressor, some might say a slut. So say it, if I have a cock in my pussy, you can call me a fucking dirtbag Third World street whore, and I will just grind harder. Anyway, once word got out that I was a zombie cock-sucker, it seemed like every guy in town wanted to slither his snake into my dirty hole.

Before long I was waking up all over the place—classrooms, closets, backseats, front seats, on a horse, and one time on the steps of the county courthouse. I never knew how long I'd been sucking the guy's dick or how many dicks I'd sucked. (My boyfriend once accused me of having swallowed 13 loads at a party and not remembering any of it—and

maybe it was true; it's not really the kind of thing you go around school asking people.)

Waking up to a strange dick in my mouth would make me so horny that I would do anything and soon I was getting banged by three college boys at the zoo, a businessman in an alley, and even a guy I'm pretty sure was gay in the back of a Dodge truck that didn't belong to either of us.

One time I came to with my boyfriend's best friend's cock in my mouth and the TV playing next to us. I looked over and it was me, live, and my boyfriend was across the room, zoomed in on the action. "You said you wanted to get your first time on tape," he said, "It's at the beginning of the tape, you'll see."

I thought as I kept sucking his friend's dick. Yeah, I remembered, he's right. I wanted to get fucked up the ass for the first time and I wanted it on tape. Someone was going to have to hold the camera, because I wanted a tight close-up on my tight ass being stretched out for the first time—no mistakes. I pulled the cock out of my mouth and looked into the camera, "So who's going to fuck my ass first?"

I stood up and took off my clothes for the camera the same way I'd practiced in front of the mirror before. I walked over to the bed and crawled across, my ass sticking deliberately at the camera, then I sat on the edge of the bed and played with my pussy. "I'm awfully wet, so please tell me one of you will take your hard dick and fuck me."

My boyfriend moved in with the camera and his friend came over and got on top of me, his fat cock entering easily with my garden wet with anticipatory dew. I wrapped my legs around him and told him to dance, grind that fucking dick into me, and he did the best white guy's version of the Latin lover he could pull off. I had my first orgasm and my boyfriend announced it was time to switch. "Yeah," I said, "time to switch

holes, too. Fuck my ass, baby."

He wasn't allowed a blowjob because I wanted to completely present for the intensity of my first time, so he grabbed the lube as we'd planned. We hadn't had to use it in a long time. When we first started fucking, we had to use it a lot, even though I was really wet, because my pussy was so elastically tight. But we screwed a lot and I was doing a lot of guys on the side and some of those guys had huge cocks, so I was pretty much able to take anything, though my ability to pussy-clamp a cock is local legend, so don't go thinking I'm just a loose whore. But my ass, I'd never had more than a finger in there, and that only a couple times. I was looking forward to that first-time feeling.

I slathered his dick with lube as his friend took over the camera and got himself situated. I got up on my hands and knees and aimed my butt at the camera and put my head on the bed, just like I'd seen in so many porn movies. My boyfriend stood on the floor, his cock near my holes and asked if I was ready. "Yours isn't the only hard cock in the room," I said. "If you don't get your cock in my ass right now, your friend here—"

And he was in. I swear I could hear the seal snap as the head of his cock was gone into my darkness. It was like all the air in the room got sucked into my lungs and my eyes were almost popped out of my head. I reached back and pushed my hand against his groin to stop him going further, I needed to take a breath first. I let out some air, took some fresh air in. Stable. "All right, motherfucker," I said, "take that ass!"

I'd never realized how much thicker his cock was at the base than below the head, but I couldn't miss that feeling with the insane tightness of my ass as it clenched like a meth addict's jaw on his tool. I dribbled more lube on it as he took me, controlling me, as I moaned and yelled and said dirty things that I'm sure had never come out of my mouth before. Something new goes in, something new comes out.

His friend was getting every angle and spent a lot of time on my face, apparently he thought my expressions were as memorable as the first plundering of my booty. His cock was still out and hard and I reached up and grabbed it, started jerking him off and I thought I felt him getting close. I told my boyfriend that maybe it was time to let his friend take a turn before he blew his wad, but it was too late. He got it all on camera, him cumming on my face as I jerked him off and my boyfriend continued fucking my asshole.

"What about you?" I asked my man. "You ready to blow, too?" He told me that he was and I told him I wanted him inside my ass. He hung on to my hips and within a minute or so I could feel the warm jizz inside my newly opened door. "Get the camera back there and see if my ass is gaping!" "Already on it!" he said. But I didn't gape. I know, I've watched that tape a dozen times.

With both the guys having gone all the way and my ass good and de-virginized, I wanted to end things the way they started. I told them both to get in front of me so I could suck their cocks. I know, because I've watched the tape. They were still stiff enough to reach my uvula. In fact, they both got hard again and his friend got to take a quick crack at my ass, too. My boyfriend kept the camera on and his cock in my mouth and from what I can see, I loved every ass-fucking second of it, and every moment since.

BEHIND THE SCENES OF

Anal Teens # 2 (New Sensations)

Starring: Alisa, Amirah, Deema, Frank Major, Kitty, Mary, Megan, Oliver Strelly, Timo Hardy.

When a young slut isn't even 20 years old and she's been fucked by twenty different guys, chances are, somebody's slipped one in her ass. It's a simple law of percentages really—ten percent of girls are experimental sluts, and ten percent of those are so far gone that they treat their assholes like a pussy, allowing cocks to *cum* and go as they please. This movie focuses on that elite group of *Anal Teens*—something of a special-rectal forces brigade of butthole-stuffin' young girls who take great pleasure in feeling a big dick shoved up their tiny tushies. We went behind the scenes of *Anal Teens #2* for a closer inspection, and what we found was shocking, disturbing, and really fucking hot! See for yourself...

For more anal young-girl behavior, visit **NewSensations.com**

THE ANAL TEENS #2
OVER 2 HOURS 10 MINS
5 BRAND NEW ASS-TOUNDING SCENES!!!
FEATURING MEGAN

ALISA UNLIMITED SEXTING

You know you're watching post-modern porn when brunette hussy Alisa wakes from a stone-cold sleep to answer a few texts. The next thing you know, Deema is at her place and he's looking for some sweet young ass to defile. Rubbing, kissing, and groping turns into a double-hole tonguing and some *bonerfied* butt-hole finger-fucking, which quickly turns into one anally ravaged, gaping young girl!

KITTY GIRLS JUST WANNA HAVE CUM

One minute a cutie named Kitty is dancing on her bed jamming to her iPod, and the next minute she's lying on her bed getting a big boner jammed in her can! Oliver has her rectum gape, then licks it like a lollipop while pretty Kitty licks his anally slicked prick in some tasty ass-to-mouth action before sucking the spunk out of his spout and letting it dribble down her cheeks. Do young sluts really do all this? No, but anal teens do!

AMIRAH DR. DONUT HOLE

Amirah arrives at the doctor's office and tells Dr. Frank she's having a little problem with her pussy. The good doctor moves in with a speculum to take a closer look, but gets distracted when Amirah starts sucking his schlong — so distracted, in fact, that he forgets which hole he was tending to! After butt-fucking the young beauty on the examination table, Dr. Frank yaks his crank and feeds her a dose of man-chowder medicine, which Amirah drinks down like a good little perverted patient!

MARY TELECOMMUTE IN HER SHOOT

What's a bored young girl supposed to do while her boyfriend's busy talking business on the phone? Get down to business herself by sucking his dick. Too busy to pull her off as he holds his cell phone and takes notes, Timo lets Mary get quite contrary with his cock 'til it's good 'n hard. Then he finally hangs up the phone and fucks Mary's ass with his stiffy in a jiffy, pounding her puckered button in pile-driver position before glazing her gums with his guy-glop!

MEGAN WHAT AN ASSHOLE!

Insecure, self-obsessed camera-hog **Megan** is just like every young pretty girl we know. The only thing she likes more than seeing pictures of herself is seeing a bone enter her forbidden zone. Her young, tender backside takes a wild ride bouncing up and down on Deema's dick, turning her tight tushy-hole into a wild, gaped cock-vaccum. Welcome to the wonderful world of ass-fucking, Megan!

NICOLINE & GRACE NOEL

BFF's: Butt-Fucked Friends

Nicoline and **Grace Noel** are at that dangerous age of experimentation: If it seems wrong, it must be right! Their judgment clouded by horniness, ignorance, and unfulfilled anal cravings, they invited their neighbor over to their apartment to "hang out." Needless to say, it didn't take long before his dick was hanging out of his pants, and the two slutty buddies took turns sucking it stiff. That's when these bad girls started packing their tushy-holes full of man-meat, cock-swapping and cum-swapping from ass to mouth in an o-ring orgy blowout these bow-legged beauties won't soon forget!

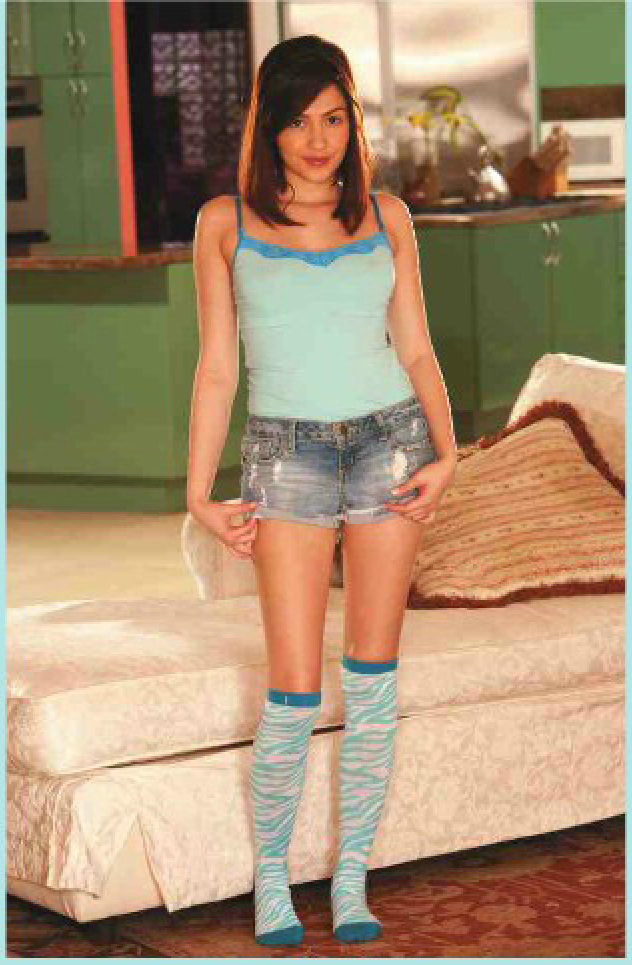
Dream

Cassie

Young and Sassy



We love a young girl with a little attitude. Forget the dopey, innocent young sluts you're used to meeting and take a good look at this smart little tart: She's brilliant beyond her years, hanging out with honor society nerds and debate team tools. Except that when they go home to study, **Cassie Laine** goes out trolling for cocks to suck. "I like hooking up with older guys—like my teachers. At least they can hold a decent conversation with me while I'm sucking them off. I once had a professor read me passages from *The Grapes of Wrath* as he shot his load in my mouth, and it made me feel respected for my brain and not just my body." Hmmm...would Cassie still feel classy if she read ***Purely 18*** with a cock jammed down her throat?

AMABELLA

CAMERON GOLD

CAROLINA

MILA

SORANA

STARRING: Cameron Gold, Amabella, Sabby, Mila, Carolina and Sorana with George Uhl, Nick Lang, Timo Hardy, Oliver Strelly and Mike Angelo **DIRECTORS:** John Walton, Max Schneider & Andrew Youngman **STUDIO:** 21st Sextury/New Sensations

There comes a time in every relationship when a young lady gets it into her head that she needs to feel something in her ass. The pussy still feels great, fresh and wet, but there's something snug and forbidden with the other side of the coochie coin, and these girls like to try their odds at further pleasures. It's a risk that can reap great rewards.

The girls of *Reared Up* are the young, slim, and European type, meaning they not only know how to take care of themselves, they know how to please a man or two. The girls with the eager asses are Cameron Gold, Amabella , Mila, Carolina, and Sorana, five girls you probably don't know but you'll feel like you do in no time. They're just that friendly.

Young tail is something else—knocking on those back doors while the front is still new and fresh—and is not to be taken for granted. These guys know how fortunate they are to get to nail this slim trim, and we are lucky just to get to see it happen.

AMABELLA

SABBY & NICK LANG

This isn't the first time Amabella has experienced the joy of having a big, stiff prick in her ass, but it is one of the first times she's been DP'd. She's as small as she is horny, and the logistics of a couple big guys with national endowments squeezing into her was initially difficult. Now she has it perfected and we can see the amazing results.

She blows both the guys, but she is quick to let one of the guys slip it into her ass, her pussy lips quivering jealously as his veined shaft launches into her back hole, and Amabella inhales the other cock, but she recovers instantly and before you can get your pants down, she's on all fours with two in her holes, Amabella's cries of love linger in the air like birdsongs in spring. Now that her body knows how to move with the flow of cocks grinding down the wall between her ass and pussy, the guys are able to move with her through positions and she is like a tiny dancer, pronged in mid-air by the poles of these guys who don't seem like they've ever been soft, certainly not in the presence of this teen dream and her three-hole adventures.

The clenching of her young entries takes its toll on their cocks and finally they are unable to hold back the cum that she has helped them generate. Like most girls her age, she prefers taking love face-first and jerks them off until their heavy loads land on her pretty, soft skin and she lets it drip down to her tits. "It's good for the skin," she says. Not that she needs to worry about that for a few years, but there's no harm in starting early.

CAMERON GOLD

GEORGE UHL

So slender and tight-bodied, it almost seems a miracle that a guy would be able to stick his prick into her pussy, let alone fuck her ass, let alone get her to gape. Truth is, Cameron has put her pussy to years' worth of use in a very short amount of time, and it shows in the hamburger-lipped snatch that still springs to life, but in Cameron's mind, at least for now, she's moved on, preferring to travel the back road rather than the main highway.

George isn't picky and if she wants it in the ass, that's what he's going to give her. She glad-hands his pecker into her mouth until it's thick and full, then she lies back to take it. He pushes her legs a little further back and plugs it in--she is electrified in response, a squealer she is, and through her grunts and growls he hears her call attention to her pussy, "Look at my twat, you dirty fucker," she says, "I want you to do the same thing to my ass. Fuck it until you don't want it anymore."

It could be a long time before George doesn't want to fuck that ass anymore, so curvy and comfy in her slim figure, but he can't stay in forever so he takes her doggie-style and she howls like it's a full moon and George keeps going until he pops, and it splashes against the quickly sealed confines of her ass. The big load drips down around her pussy lips and leaves her smiling, thinking already about the next time.

CAROLINA

OLIVER STRELLY

Something has changed about Carolina. So young and fresh, she didn't have tits to speak of so when she turned 18 she went and got herself a present: a perky rack. It still looks a little out of place on her skinny-girl figure, but it's really helped her get a grasp on her sexuality, which was bursting wildly and without focus. Now she can relax, have an orgasm, and stay in the moment without being self-conscious.

Watching her now, it seems crazy that this dark-haired beauty would be anything but confident. After all, she's an eager cocksucker who is comfortable swallowing a man's prick and a cocky lover who encourages all of her partners to give her ass and pussy equal time. Oliver, experienced in the ways of porking young damsels, is anxious with this one. Her small frame includes small holes and even when she tries to pull her pussy open, it still appears to be a slight entrance and possibly incapable of taking on a powerful stick like his, but this girl has reserves that don't show through her clothes.

Oliver sticks it her pussy to use her juice as lubrication and when he puts his hands on her little ass cheeks, they almost disappear completely. But he forges ahead, revealing the pucker of her tush and then sliding in. Her eyes close, the mysteries of her thoughts unknown to us, but they open and she smiles and her green eyes light up and we see a girl who is now fully and openly herself, enjoying sex and all its varieties, and so gracious and satisfied when his milky contents cover her ass and drip down her pussy.

MILA

TIMO HARDY

In a movie filled with fat-free Eurogirls, Mila may be the skinniest of the bunch. For her slender figure, she brings a surprisingly full bumper to the table. That ass has brought her a lot of attention, but when she turned 18 and started putting it to use, she understood what all the fuss was about. Once she experienced the anal sensations for herself, no further explanations were necessary.

Timo certainly takes a quick interest in that backside, and Mila is happy to let him get more familiar with it: She lies back on the leather couch, spreads her legs wide, giving him a green light with a girlish smirk. As his dick dances its way into her part, she goes through the range of emotions, the pitter-patter of her heart racing as he increases his pacing, and finally his balls are bouncing against her butt-crack.

He flips her over to her hands and knees and gives her girl-hole a try, too, but as much as he enjoys the front, the tug of her rear is too much to resist, and he finds himself banging her hard, Mila's blonde hair grazing the edge of the couch as her head moves with his strong thrusts. "Cum hard, just like you've fucked me," she pleads. "Cum in my mouth, please." He breaks himself from the gravitational pull of her a-hole and lets her suck him off until he lets it go in her mouth, young Mila swallowing some and then playing with the rest, some of it slipping out of her mouth sloppily.

SORANA

MIKE ANGELO

Sorana was always considered the class slut, even before she started fucking. She just had that look about her, that scent, and when she was old enough, she made herself familiar with about every cock in her small town and a few from other places, too. She developed into the perfect whore, a natural beauty with an outstanding body and the ability to get absolutely pounded in every hole from every angle.

She's got it in her to go pro, and Mike gives her a test-run that has her thinking pay-to-play just might be the thing for her. She slobbers up his cock while looking at the camera, playing it up—it's something she's done at home several times, this whole "documenting her fucking" thing—and when she mounts him reverse-cowgirl, it's almost impossible to break away from her eyes, but watching her pussy eat up that cock is too precious to be missed. Her bare pussy wraps tightly and goes up and down, and then she switches to her other hole and does the same, the dirty little slut doing what she loves more than anything in the world.

At times aggressive, she is also capable of letting go and letting a guy do what he will. Mike goes at her strongly, taking her from different angles, letting her enjoy being filled by a guy who really knows how to hammer her ass. To make her dirty romp complete, she asks him to cream on her holes and he has more than enough jizz to get the both sloppy. Getting a guy hard is easy work for a girl like Sorana. She's not going to have any trouble finding work.

Shyla & Capri

Pool Pals

Shyla Jennings and **Capri Anderson** (she of Charlie Sheen fame) are two college co-eds who don't have class on Fridays—unless you count their extracurricular activities, which includes a sex education class out by the pool. Here, the girls learn about the beauties of sapphic exploration, self-discovery, and, studying the ins and outs of each other's juicy vagina with their tongues. No need for a study break—these afternoon *cram sessions* aren't all hard work after all..

Nicole

Panty Party

Who says you need your friends over to have a party? **Nicole Ray's** not a loner or a loser, but this sweet young babe knows how to have fun when she's all alone. This giggly, fawnish kitten peels off her lace panties and starts frolicking around on her bed half nude. Limber and flexible, Nicole bends her body in positions most men only fantasize about, diddling herself with fingers and fuck-sticks 'til she makes herself gasp with a breath-taking orgasm!
